

Summer Undergraduate Research Fellowship Mentor Form - Summer 2018

Email this completed form directly to tjwatt@xula.edu, with the subject SURF Mentor Form, by April 6

Student

Mentor

Please briefly summarize the nature of the project, the student's planned contribution, the student's ability to complete the project, and the overall project feasibility. (Maximum 1300 characters.)

Briefly describe the mentoring plan for the student, including expectations of the student, monitoring of student's research time, the nature of any regular interactions with you, and whether the student will have access to any additional mentors regularly or while you will be away. (Maximum 1300 characters.)

Compared to other Xavier students, indicate the student's potential in each area:

Summer research

A non-medical research career

Have you mentored any research students during the past three years?

Please briefly describe the assistance you provided as the student prepared their proposal.

Submission of this form indicates that you understand and agree to the SURF program requirements of the student if the student is selected, and that you will obtain any necessary approvals from university committees if the research project involves biohazards, human subjects, animals, or radioactivity.

If you have questions concerning this form or the SURF program, contact the SURF program director: Dr. Terry Watt, tjwatt@xula.edu, NCF 314, x5271, or see <http://www.bchemnet.com/surf/> .

Student applications (including this form) received after April 6 and no later than April 20 will be considered for the program if space remains after reviewing the initial applications.
